

Scholarships & bursaries

St Dunstan's College distinguishes between "scholarships" which are awarded entirely on merit, and "bursaries," which are awarded as a result of financial need. Scholarships are awarded for the duration of the pupils stay at the College, but may be withdrawn, after notice, if the pupil no longer performs or behaves to the standard appropriate for a scholarship holder. Bursaries are awarded annually, and are dependent on the production of financial statements of the family concerned.

ACADEMIC SCHOLARSHIPS

One MAJOR scholarship (50% reduction in fees) and two MINOR scholarships (33 %) reduction on fees may be awarded annually to a pupil entering the school from Grade 7 to Grade 8. The school reserves the right not to make an award.

SPORT SCHOLARSHIPS

One major and one minor scholarship for boys, and one major and one minor scholarship for girls may be awarded per year for pupils entering the College from Grade 7. Major scholarships may be awarded for pupils of national standard, and minor for those of provincial standard. These scholarships may be withdrawn, after notice, if the pupil's performance or behaviour is unsatisfactory.

BURSARIES

At the discretion of the Scholarship/bursary committee, up to a total value of three full annual school fees may be awarded to deserving scholars who through death of a breadwinner, retrenchment, or simple financial need are unable to remain at the school. The bursaries are reviewed annually. The recipients of bursaries will remain confidential
