## Message from Headmaster's study...

Dear Parents, pupils and friends

The Football World Cup is almost upon us and the excitement is tangible. Pupils are reminded that there is NO Football Friday on St Dunstan's Day, Friday 21 May.

St Dunstan's Day will be celebrated in the College Chapel quad and the service will commence at 08:30. Tea will be served in the Junior Preparatory quad for parents and teachers. The pupils will receive their refreshments in their designated areas.

Unfortunately we continue to slip down the My School 'Play it Forward' competition – we are now in 5<sup>th</sup> place and it is going to take a huge effort to get back into the top three. This competition is worked on the number of swipes and not the amount spent. This is of course open to interpretation as to how many times you swipe your card.

PA members are looking for Moms and Dads who are willing to help on the Mini World Cup day with the tuck shop, braaing etc. Please contact Louise Frandsen on 0832296834.

## Junior Winter Sports Festival

### Largest Junior Sports Tournament in Gauteng!

We will be holding our 15<sup>th</sup> Annual Winter Sports Festival on the 2<sup>nd</sup> June 2010. We would like to make this a special event for our pupils this year. We are appealing to parents who may be able to assist us in this regard with sponsorship or donations of items that we may give to the pupils e.g. sweets, cooldrink bottles, notebooks, novelty toys, flags, T-shirts, medals etc. (Please bear in mind that we usually have over 1000 children participating in this event.) We will be including Grade 3's this year. If you are able to assist in any way, please contact Mrs Allen, Mrs van der Merwe or Mrs Peck in the office. Thank you.  
Mrs S Allen (Organiser)

## Football Friday

The FIFA Football World Cup is just around the corner and we as a school would like our children to be Proudly South African. Each Friday our children will be permitted to wear a South African football shirt/ supporters top with blue jeans or P.E. shorts as a show of support for our national team – BAFANA BAFANA. The children will pay R5.00 for this privilege and the money collected will go towards our Chapel / Guide Dog collection.

## CONSERVANCY NEWS

### PAPER RECYCLING

Paper is an example of a valuable material that can be recycled. Its wood fibres are reused five to seven times before they become too short and brittle. Over 40% of paper consumed is recycled in South Africa. We still have a long way to go as the European Union and Canada recycled 64% and 58% in 2007 respectively.

### What can be Recycled?

- paper and corrugated cardboard
- egg cartons
- fruit trays
- old magazines
- old telephone directories
- Old memos / letters
- Computer paper
- Used photocopy paper
- Windowless envelopes
- Old books (but these should rather be given to libraries or schools)
- Pale coloured paper (invoices, etc.) Newspapers

Some paper-based packaging products are, however, problematic to recycle. Among them are products that have had plastic and foil laminates included, as well as corrugated boxes treated with wax for water resistance.

### Nature never goes out of style.
